

Connect • Communicate • Collaborate • Contribute

About HerHub

Under the Governance of a 501c3 nonprofit, Inclusive for Women, Inc. dba Women of Toledo, HerHub is an initiative that connects women, resources, businesses, and organizations in the Toledo, Ohio area through an online HUB that will expand HER reach.

By providing this program initiative opportunity we hope to encourage and build confidence for new women-owned businesses and elevate the visibility of the existing women's groups, businesses, and events by building a large, diverse, inclusive, comprehensive community of women supporting women.

We believe in supporting each other in ways that will contribute to women's economic empowerment, and create stronger relationships between ourselves, our communities, and ultimately, our world.

Team

HerHub is managed by four Tasks Team, Nina Corder, Kristina ElSayed, Stephanie Solheim and Kaitlin Kaiser, under the supervision of Women of Toledo's HerHub Board Liasion, Jonelle Massey.

“

I was so happy to review your list of woman owned businesses! A lot I was not aware of. Case in point, I found a Florist - "In Bloom". Wow, what a beautiful choice of flowers, great customer service & loved their spontaneity on putting together the idea of bouquet I wanted to send!

Thanks HerHub! Will definitely keep the list handy & follow for updates!

-DEANNA JENSEN
